

Anglo-Saxons and Scots

Kittiwakes year 3/4 Autumn 2024

As historians and geographers we will be:

Learning about the Anglo-Saxon invasions, settlements and kingdoms including their daily life and religion.

We will be improving our knowledge of the UK and mapping skills on a range of UK based maps.

As good citizens we will be:

Thinking about generosity and thankfulness and how we can be both generous and thankful in our daily lives.

We shall look at working as a class TEAM and responsibilities and thinking positively to promote good self esteem and mental health.

As a community of faith we will be:

Looking at why it is good to remember and ways that remembering is celebrated through religious and secular festivals. Later, we shall be looking at the importance of Mary in the Christmas story and epiphany.

As artists and designers we will be:

Exploring portraits and the Pop Art style of Andy Warhol.

Designing and making our own musical instruments.

As linguists we will be:

Learning about greetings, numbers and colours and days of the week in French.

As Scientists we will be:

Investigating how sounds are made, learning how vibrations from sounds travel and exploring patterns of pitch.

Investigating how light is needed in order to see things, how light is reflected from surfaces and blocked by objects to create shadows.

As computer users we will be:

Learning how to use dataloggers to record sound and light levels and using ICT to present what we have been learning through words, pictures and sounds.

If you have any questions, then please contact me via class dojo messages in the first instance.

Thank you.

Mrs Wardell, Mrs Holdsworth .
Miss Cousins and Mrs Airey

As authors, poets and readers we will be:

Focussing on writing grammatically accurate sentences and how these are made up of different word classes.

Writing to Entertain - narrative descriptions from pictures

Writing to Entertain - Dialogue from videos

Writing to inform - Reports linked to Anglo-Saxon life

As mathematicians we will be:

Concentrating on place value and problem solving using all 4 operations in the context of real life situations.

It is now an expectation that year 4 children will know all the times tables and they will be completing the Multiplication tables check (MTC) in June of 2025.

Please could you practice these at home with your child.

As active kids we will be:

Learning our traditional Flamborough Longsword Dance, having netball lessons and looking after the polytunnel.

Children will need an outdoor PE kit and change of gardening clothes on Mondays and a change of shoes for Fridays

If they have pierced ears, then they will need to remove their studs during PE, or cover them with tape - supplied from home.
